

## HK955070FB BI Hob

### Instant control over your hob

The slide-design touch controls on this hob enable you to adjust the heat setting almost instantly. Simply slide your finger to the correct level.

### Intelligent use of power for reduced energy consumption

The Öko Timer enables you to use energy more efficiently by using the hob's residual heat during the last few minutes of the cooking process.

### Even more cooking options and a professional layout

The cooking zones on this extra-wide hob – such as the large central paella zone – are laid out professionally, giving you more flexibility while cooking.

### More Benefits :

- OptiHeat Control for an effective way to optimize energy use
- CountUp timer to show exactly how long a dish has been cooking
- Automatic heat-up function for faster cooking

### Features :

- Hob type: Electric with ceramic glass
