

### The door to automatic drying

The dishwasher door is automatically opened at the end of the drying phase. Circulating air inside the machine to dry items naturally.

## Product Benefits & Features

### Powerful cleaning of the dirtiest loads

The Pro Intensiv program is specially designed to clean extremely dirty loads with the powerful action of hot water. Thanks to the 70°C water jet, which easily wipes out even deeply encrusted grime, it will get your dishes, pots and pans sparkling perfectly again.

### Fast and efficient performance

This dishwasher gives you perfect performance - fast, thanks to its special half-hour program.

### Plan ahead using the delay-start function

With the delay-start function, you can plan ahead and program your dishwasher to start 3 hours later.
