

## HC412001GB BI Hob

### Personalise your kitchen and reach new culinary heights

The hobs CrystalLine modular system provides you with the flexibility you need when designing your kitchen to ensure you can reach new culinary heights.

### Elegant integration with a smooth glass finish

With a smooth glass surface under the pan supports, this is a hob that instantly adds glamour. Plus it fits so well into your worktop, that it forms a single elegantly integrated surface. In short, it's a hob that deserves to be built into the most high-end work surface.

### New generation of Burners

The design of the speed burners in this AEG gas hob allows the flame to directly target the bottom of the pan, providing quicker heat and greater efficiency. These high speed burners get you cooking up to 20% faster.
