

### UP TO 20% MORE POWER, AND SPEED

A Speed Burner gas hob is 20% faster, helping you apply the right heat for flawless taste. The burners allow you to regulate speed, so your wok or pasta always gets exactly the heat it needs. No more. No less.

## Product Benefits & Features

### New generation of Burners

The design of the speed burners in this AEG gas hob allows the flame to directly target the bottom of the pan, providing quicker heat and greater efficiency. These high speed burners get you cooking up to 20% faster.

- Hob type: Gas
- Rotary knob controls
- Controls position: Front Middle
- Left front zone: Auxiliary Burner, Mariane, 1000W/54mm
- Left rear zone: Mariane, Semi Rapid Burner, 2000W/70mm
