

HVB95450IB Built-in Hob

Ignite. Sear. Control. With absolute assurance

The advanced TouchSure hob from AEG comes with a range of reassuring safety features that provide absolute confidence in – and absolute command over – gas cooking. It's a traditional method harnessed with our responsive technology. Instilling confidence to turn

One touch. Absolute control

The temperature can be regulated quickly and accurately via highly responsive electronic touch controls. No buttons or knobs. Just one sleek and safe surface that enables absolute command over the cooking process.

Stay informed. Instantly

The FlameLight LED Indicators clearly display whether the flame is on or off while Residual Heat Indicators identify if the pan supports are still hot after use.

More Benefits :

- The Safety Lock feature ensures that children can't accidentally switch on the hob
- This feature enables you to switch on your cooker hood and lights as you start cooking on your hob.
- When the hob's flame goes out, Gas Stop is at hand to halt the fuel supply.

- Residual heat indicators
- Cast iron pan supports
- Child safety control lock
- Safety gas cut off using thermocouples
- Front left burner: Semi-rapid 2kW burner

Technical Specs :

- Hobs Dimensions : 890x510
- Aperture dimensions HxWxD in mm : 52x850x490
- Radius cutting : 10
- Total electricity loading, W : 35
- Max power gas, W : 10200
- Cord Length : 1.1
- Hob safety : Child-lock, Thermocouple
- Left front - Power/Diameter : 1900W/80mm
- Rear - Power/Diameter : 1900W/80mm
- Right front - Power/Diameter : 1000W/65mm
- Right rear - Power/Diameter : 1900W/80mm
- Gas supply: natural gas : G20 (2H) 20 mbar
- Gas replacement : G30/G31 (3+) 28-30/37 mbar, With Additional Injectors
- Gas replacement : No
- Residual heat indicator : On display
- Led Colour : Red
- ProdPartCode : All Open
