

RMB46211NX Combi Side

Take complete control of the settings at the touch of a finger

This LED display with advanced Touch Controls lets you take full control of the storage conditions of your food. The controls are so sensitive that they can be precisely adjusted with just the lightest touch of a finger, while feedback can be viewed at a glance

Bright and even light that shines into every corner of your fridge

LED lights represent the most cutting edge lighting technology, which is why AEG-Electrolux has integrated them inside this fridge freezer. The internal LED lighting produces a brighter light, which shines evenly across the whole space. Plus, LED technology
